Compliance with Safe Work Practices

INTENTS EMERGENCY RESPONSE LLC has established rules and procedures to help ensure that work tasks can be performed safely without injury to employees:

- We inform employees about our IIPP.
We post it on our website and make it available within days if they need a written copy.
- We discipline employees who do not follow our safety rules.
- We provide training to employees who do not follow safety rules.
- We also have these other procedures for making sure employees follow our safety rules:
Risk of loosing their job if they continue to avoid safely protocols.

Employee Communication

INTENTS EMERGENCY RESPONSE LLC communicates with employees on safety matters through the following:

- We hold safety meetings: monthly
- We encourage employees to report hazards and provide feedback by: By telling management right away and sharing pictures of the hazard.

Additional ways we communicate about safety to our employees include:

Before we begin a job we verbally discuss any hazards that may exist on site that day.

We encourage all employees to report any unsafe conditions or safety concerns immediately to their supervisor or Safety Manager, or bring up the issue during department meetings provided the hazard isn't serious.

Hazard Assessment

We conduct safety inspections twice a year and when:

- The safety program is first established
- Whenever new substances, processes, procedures, or equipment that represent a safety hazard are introduced into the workplace
- Whenever the employer is made aware of a new hazard

Other ways we evaluate hazards at our workplace include: We train people to point out things that don't look, smell, or feel right.

These are the job title(s) of the person(s) responsible for conducting inspections and evaluating hazards at our workplace:
Owners and Managers

Accident Investigation

INTENTS EMERGENCY RESPONSE LLC takes the following steps when investigating accidents and near misses:

- Visit the accident scene as soon as possible
- Interview injured workers and witnesses
- Examine the workplace for factors associated with the accident/exposure
- Determine the root cause of the accident/exposure
- Take corrective action to prevent the accident/exposure from happening again
- Keep a record of the findings and corrective actions taken

The person(s) responsible for conducting accident investigations at INTENTS EMERGENCY RESPONSE LLC is:
An Owner or Manager

Hazard Correction

Hazards must be corrected in a timely manner as soon as employees or supervisors become aware of the hazard. We correct workplace hazards:

- When first noticed whenever possible, and
- When there is an imminent hazard. In the case of an imminent hazard, we will remove all employees from the area except those needed to correct the condition. We will protect employees working to correct the hazardous condition.

The job title of the person who is responsible for making sure hazards are corrected is:
An owner or manager

Employee Training

We will conduct training in the following instances:

- When our safety program is first created
- To all new employees
- When employees are given new job assignments
- Whenever new substances, processes, procedures, or equipment are introduced into the workplace
- Whenever the employer is made aware of a new hazard
- For supervisors to make them aware of the safety procedures and workplace hazards for their employees

Recordkeeping

We keep records of inspections and hazard assessments for at least one year.

Training records will be kept for a minimum of one year.
